MDA LITES

A whimsical display of halos pleasantly stacked together creates a layered form, appealing to the eye and the space it occupies.

LITES

Luxury Lighting For Chicagoland

Luxury does not mean expensive, but it does represent the best of the best! MDA Lites represents EUROFASE that features many designs that are on the cutting edge of today's interior fashion. No job is too small or too large for our custom capabilities. Every piece that is conceived by EUROFASE is a sculpture. The melding of artisans and technicians brings about 21st-century design & function. All the EUROFASE collections are designed with function and appearance.
